Primary Benefits

- May help support healthy cardiovascular function*
- May provide antioxidant support*
- May support healthy immune function*
- May help promote a restful sleep*

Aromatic Description

Fresh, floral, slightly herbaceous

Collection Method

Steam distillation

Plant Part

Leaf, twig

Description

Petitgrain essential oil is derived from the bitter orange tree, which has a long history of use in traditional health practices. Historically, Petitgrain essential oil has been used for cleaning purposes and it has been used internally to support healthy immune system and nervous system function.*

Emerging scientific evidence provides support for these traditional and other uses.

There are three essential oils derived from the bitter orange tree. Petitgrain is distilled from the leaves and twigs of the tree, Neroli essential oil is distilled from the blossoms, and Bitter Orange oil is produced by cold pressing the rinds of the fruits. Petitgrain is

Main Constituents

Linalyl acetate, linalool, alpha-terpineol

widely used in the perfume industry, giving body sprays, fragrances, lotions, and colognes a fresh, herbaceous note that is popular among both women and men.

By sourcing Petitgrain from Paraguay through our Co-Impact Sourcing[®] initiative, doTERRA is able to support needed rural community development projects and provide diversified income for small-scale farmers. This approach provides an economically viable alternative to clear-cutting land, dramatically helping to protect the remaining patches of the Atlantic Rainforest in eastern Paraguay.

Uses

- Diffuse for a calming and relaxing aroma. Blends well with other citrus oils, Cassia, Cinnamon, Eucalyptus, Geranium, and Lemongrass.
- Take internally to help ease feelings of tension, help calm the nervous system, and promote restful sleep.*
- Before going to bed, add a few drops of Petitgrain along with Lavender or Bergamot to pillows and bedding for its aromatic benefits.
- Add one to two drops to water or juice and drink to help support the health of the cardiovascular, immune, nervous, and digestive systems.*

Directions for Use

Diffusion: Use three to four drops in the diffuser of choice.

Internal use: Dilute one drop in 4 fl. oz. of liquid.

Topical use: Apply one to two drops to desired area. Dilute with a carrier oil to minimize any skin

sensitivity. See additional precautions below.

Cautions

Possible skin sensitivity. Keep out of reach of children. If you are pregnant, nursing, or under a doctor's care, consult your physician. Avoid contact with eyes, inner ears, and sensitive areas.
